AATH MAHANTH GURU

Front-End developer

Download CV   **Hire me**

About Me

I am now currently engaging in my Engineering on Information Technology at KLN College Of Information Technology. I have an admirable knowledge as a Front-End developer. I am a dependable person who is great at time management. I am always energetic and eager to learn new skills. I am motivated to go to gym before work to get physically and mentally fit and healthy. so this helps me to do my work with an added spoon of creative and passion.
